

Prepare now! Designed for Graduating Seniors from U.S. Institutions

Aggie MBA Pathways Program

Prepare for and gain more clarity about your future admissibility into an MBA program.

To be eligible for the MBA Pathways Programs starting in December 2023 or April 2024, your undergraduate graduation date should fall between May 2023-June 2024.

Aggie MBA Pathways Program Experience

If accepted to our Aggie MBA Pathways Program, you'll gain access to exclusive career workshops and personalized advice that sets you up for career success. After two to three years of work experience, you'll have the knowledge to submit your best MBA application.

You'll also receive invitations to some of our speaker and/or networking events that are typically designed for MBA students throughout the years.

Aggie MSBA Pathways Program

Prepare for and gain clarity about your future admissibility into a Master of Science in Business Analytics program.

Open to undergraduates from U.S. universities graduating between December 2023-June 2026. Preference will be given to candidates attending universities in the State of California.

Aggie MSBA Pathways Program Experience

If accepted to our Aggie MSBA Pathways Program, you'll gain access to exclusive career workshops and personalized advice that sets you up for career success. This will help you get your analytical career off to a strong start, and for you to be competitive for a formal MSBA application immediately upon graduation.

You'll also receive invitations to some of our speaker and/or networking events that are typically designed for MSBA students throughout the years.

Example experiences in Aggie MBA or MSBA Pathways Program can include:

- Onboarding
- Networking opportunities
- Mentorship
- Corporate connections
- Career search workshops
 - Refining your resume
 - How to make the most of LinkedIn
- Interviewing and negotiation tips
- Early career panels
- Application workshops
